Construction of a Chattram for non-Brahmin pilgrims of the State visiting Tirupathi.

READ—

Letter No. P. C. 9 of 26-27, dated 28th December 1927, from the Muzrai Commissioner in Mysore, submitting plans and estimates for constructing a building at Tirupathi providing accommodation for non-Brahmin pilgrims from Mysore visiting that place.

ORDER NO. 334-5—MUZ. 194-27-2, DATED 14TH AUGUST 1928.

There are two chattram buildings at Tirupathi—one in the Tirupathi town and another on the Hill. Accommodation in these buildings is now provided only for Brahmins. It has been represented that members of other communities who go to Tirupathi on pilgrimage might also be provided with this convenience. Government have considered the matter and are of opinion that it is desirable to comply with this request as far as possible, and that with this object the extension of existing buildings should be arranged for.

2. When the Tasdik grant of this institution was increased in 1924, a sum of Rs. 1,500 per annum was allowed as an additional allotment for feeding. With a view to find the money required for increasing the accommodation in the chattram buildings, Government direct that the grant for feeding be limited to the original allotment of Rs. 6,700 and that the addition of Rs. 1,500 allowed in 1924 be saved commencing from 1928-29. The savings thus effected will be accumulated for the construction of the building required for accommodating non-Brahmin pilgrims of the State visiting Tirupathi.
